I am extremely excited to announce that the City of Jamaica Beach will be hosting a CERT Academy in October. John Herman (CERT Director) has graciously agreed to having this critical training at City Hall on the following dates:

Friday - October 7th (6:30 pm – 10:00 pm)
Saturday – October 8th (8:00 am – 5:00 pm)
Sunday – October 9th (1:00 pm – 5:00 pm)
Friday – October 14th (6:30 pm – 10:00 pm)
Saturday – October 15th (8:00 am – 5:00 pm)

Why is CERT important and what does the CERT team do for the community?
Community Emergency Response Team (CERT) educates people about disaster preparedness for hazards that impact their area and trains team members in basic disaster response skills, such as fire safety. Light search and rescue, team organization, and disaster medical operations.

I urge you to try to set the above dates to attend this CERT academy. If you would like additional information, please contact me.
