ITEMS OF BUSINESS:

1. DISCUSS AND CONSIDER FOR ACTION THE FIRE AT THE JAMAICA BEACH CITY HALL BUILDING.

There was an electrical fire at the City Hall building on Saturday, April 30th around 10:30 p.m. The fire was under control within 30 minutes. The fire started in a lower level storage and traveled up the wall into the attic. City offices and the Council Chamber were destroyed by water and smoke damage. No personnel were injured by the fire.

City Administrator Brick said he received 2 contractor bids for clean up services and was awaiting a third bid from Regal. The first was from Cotton for \$37,822.79 and the second was from Blackmon Mooring for \$51,723. A majority of Council has heard of Cotton and Blackmon Mooring, but only Alderman Montgomery was familiar with Regal. Mayor Pierson said he thinks it is in the city's best interest to start the clean up as soon as possible. He directed the City Administrator to contact the City Attorney to inquire if Council had to follow the bidding process before they could vote on a contractor.
