A nonconforming building, or a nonconforming portion of a building, shall be deemed to constitute a nonconforming use of the land upon which it is located.
- 9-102 The use of a lot of record which is nonconforming because of lot size shall be regulated by Subsection 11-103.
- 9-103 Nonconforming uses are regulated as follows:
- (1) They may be continued.

(2) They may not be expanded nor structurally altered, except as may be required by law or ordinance; however, such uses in all districts may be extended throughout such portions of a building as are arranged or designed for such use as of the effective date of this ordinance.

(3) If a nonconforming use or structure is damaged or destroyed to an extent of more than sixty percent (60%) of its fair market value by fire, explosion, act of God, or the public enemy, then any restoration or new construction shall be for a permitted or conforming use. The computing of a percentage of damage or destruction to a nonconforming use composed of a group in individual structures which are principal buildings shall be based on the fair market value of the entire development comprising the group and not the individual structure.

9-104

For the purpose of regulating changes of nonconforming uses, the zoning districts are placed in the following order, starting with the most restrictive district, the F-1 one-family dwelling district, and ending with the least restrictive district, the PD Planned Development district:

- (1) F-1 One Family Dwelling District
- (2) F-2 One Family Dwelling District
- (3) MF Multiple Family Dwelling District

9-106

If a nonconforming use of any structure or premise is discontinued for a period of six (6) months, the use of the same shall thereafter conform to the requirements of the district in which it is located. The Board of Adjustment shall have the power to grant an extension not to exceed six (6) calendar months when warranted by evidence presented.

BOUNDARIES OF DISTRICTS

SECTION 10-100

Rules Where Uncertainties May Arise

Where uncertainties exist with respect to the boundaries of the various districts as shown on the Official Zoning District Map, the following rules shall apply:

- 10-101 On subdivided property, a plat of which is recorded in the County Clerk's office of Galveston County of the effective date of this Ordinance, the district boundaries are intended to be streets, alleys, or property lines. Where the districts designated on the Official Zoning District Map are bounded approximately (within 100 feet) by a street, alley, or property line, the street, all, or property line nearest the district boundary shall be construed to be the boundary of the district. If a boundary is not, by use of the map scale, within one hundred feet (100') of a street, alley, or property line, the boundary shall remain as shown by the map scale, except as may be varied in accordance with Subsection 10-102 below.
- 10-102 Where a district boundary traverses a large parcel of land or acreage reserve in a recorded subdivision, such large parcel or acreage reserve having been divided by metes and bounds without indication upon the recorded plat of same, or where it may hereafter be divided into blocks or lots, the district boundaries shall be construed to be the street, alley, or property line resulting from such subdivision nearest to the district boundary shown on the Official Zoning District Map, provided the district boundary is not varied more than one hundred feet (100') from its location on the Official Zoning District Map.
- 10-103 In unsubdivided property, the district boundaries on the Official Zoning District Map shall be determined by use of the map scale appearing on the map; and where district boundaries on the Official Zoning District Map are approximately the property lines of unsubdivided property, the district boundary line shall be construed to be the property line if not varied more than one hundred feet (100') from its location on the Official Zoning District Map.
- 10-104 Boundaries indicated as approximately following platted lot lines shall be construed as following such lot lines.
- 10-105 Boundaries indicated as approximately following city limit lines shall be construed as following the city limit line.
- 10-106 Boundaries indicated as following shore lines shall be construed to follow such shore line, and in the event of change of shore line, shall be construed as moving with the actual shore line; boundaries indicated as approximately following the center line of streams, creeks, gulleys, or canals shall be construed as following such center line.

- (2) To hear and decide special exceptions to the terms of this Ordinance upon which it is required to pass under Section 14-500 of this Ordinance.
- (3) To authorize upon appeal in specific causes such variance from the terms of this Ordinance as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of this Ordinance will result in unnecessary hardship, and so that the spirit of the Ordinance shall be observed and substantial justice done.

14-404

Appeals to the Board of Adjustment

Appeals to the Board of Adjustment may be taken by any person aggrieved or by any officer, department, board or bureau of the City of the Village of Jamaica Beach affected by any decision of the zoning official. Such appeal shall be taken within a reasonable time, as provided by the rules of procedure of the Board of Adjustment, by filing with the zoning official from whom the appeal is taken and with the Board of Adjustment a notice of appeal specifying the grounds thereof. The zoning official from whom the appeal is taken shall forthwith transmit to the Board of Adjustment all papers constituting the record upon which the action appealed from was taken.

14-405

When Appeal Stays All Proceedings

An appeal stays all proceedings in furtherance of the action appealed from, unless the zoning official from whom the appeal is taken certifies to the Board of Adjustment, after notice of appeal shall have been filed with him that by reason of facts stated in the certificate a stay would, in his opinion, cause immediate peril to life or property. In such case, proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board of Adjustment or by a course of record on application on notice to the zoning official from whom the appeal is taken and on due cause shown.

14-406

The Board of Adjustment shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing, any party may appear in person or by agent or by attorney.

Upon the hearing any party may appear in person or by agent or by attorney.

SECTION 14-500

SPECIAL EXCEPTIONS AND VARIANCES

14-501

Granting of Special Exceptions

The Board of Adjustments is hereby empowered to permit the following exceptions provided its action is in harmony with the general purpose and intent of this Ordinance and does not injure the health, safety, morals, or the general welfare of the occupants of nearby properties.

- (1) Permit such modifications of the height, yard area spacing, and parking regulations as may be necessary to secure appropriate development of a parcel of land of such unusual topography or restricted area and shape that it cannot be appropriately developed without such modification.
- (2) Permit such modification of the parking regulations as may be warranted by the unusual character of a proposed use.
- (3) Permit the use of a lot or lots in a residential district, which lot (or lots) is adjacent to a commercial or industrial district, even if separated therefrom by an alley or by a street, for parking of passenger cars under such safeguards and conditions as may be desirable to protect the more restricted adjacent and nearby properties, provided no other business use is made of the lot.

- (4) Grant a permit for the extension of a use into an adjoining district, where such extension would constitute a nonconforming use and where the lot upon which the existing use is situated extended into the adjoining district and is in single ownership at the time this Ordinance is adopted.
- (5) Permit the reconstruction of a building occupied by a nonconforming use, provided such reconstruction does not prevent the return of such property to a conforming use.
- (6) Determine in cases of uncertainty, the classification as to district of a use not specifically named in this Ordinance, provided, however, that such use shall be in keeping with uses specifically named in the district regulations.

14-502

Granting of Variances

The Board of Adjustment is hereby authorized upon appeal from the decision of the zoning official to grant in specific cases such variance from the terms of this Ordinance as will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of this Ordinance will result in unnecessary hardship, and so that the spirit of this Ordinance shall be observed and substantial justice done.

14-503

Limitation of Special Exceptions and Variances

Any special exception or variance authorized by the Board of Adjustment shall constitute authority to authorize the issuance of a zoning permit or certificate of occupancy, as the case may be, if applied for within one hundred-twenty (120) days from the date of favorable action on the part of the Board of Adjustment, unless such Board of Adjustment authorizes a longer period. If the zoning permit or certificate of occupancy shall not have been applied for within said 120-day period, or such extended period as the Board of Adjustment may have authorized, then the grant of the special exception or variance shall terminate. Such termination shall be without prejudice to a subsequent application to said Board of Adjustment in accordance with the rules and regulations regarding applications. No applications to the Board of Adjustment shall be allowed on the same piece of property prior to the expiration of six (6) months from a ruling of the Board of Adjustment on any application to such body unless other property in the same block or within five hundred feet (500') thereof, within such six-month period, has been altered or changed by a ruling of the Board of Adjustment, in which case such a change of circumstances shall permit the allowance of such an application but shall in no wise have any force in law to compel the Board of Adjustment, after a hearing, to grant any subsequent application, but such application shall be considered on its merits as in all other cases.

SECTION 14-600

Vote Necessary for Decision of Board of Adjustment

The concurring vote of four (4) members of the Board of Adjustment shall be necessary to reverse any order, requirement, decision, or determination of the zoning official or to decide in favor of the applicant on any matter upon which it is required to pass under this Ordinance, or to effect any variation in this Ordinance.

SECTION 14-700

Notice of Public Hearing Before the Board of Adjustment

The notice of public hearings provided for in this section shall be given by publication once in a newspaper of general circulation in the City of the Village of Jamaica Beach, stating the time and the place of such hearing, which time shall not be earlier than ten (10) days from the date of such publication, and in addition thereto, the Board of Adjustment shall mail notices of such hearing to the petitioner and all owners of property lying within two hundred feet (200') of any point of the lot or portion thereof, on which special exception or variance is desired, and to all other persons deemed by the Board of Adjustment to be affected thereby; such owners and persons shall be determined according to the last approved tax roll of the City of the Village of Jamaica Beach. Such notice may be served by depositing the same, properly addressed and postage paid, in the city post office.

SECTION 14-800

Appeals from the Board of Adjustment

Any persons, jointly or severally, aggrieved by any decision of the Board of Adjustment, or any taxpayer, or any officer, department, board or bureau of the City of the Village of Jamaica Beach may present to a court of record a petition for a writ of certiorari, as provided by Article 1011g of the Revised Civil Statutes of Texas, duly verified, setting forth that such decision is illegal, in whole or in part, specifying the grounds of the illegality. Such petition shall be presented to the court within ten (10) days after the filing of the decision in the office of the Board of Adjustment.

SECTION 14-900

14-901

Amendments

The City Council may from time to time, on its own motion or on petition, amend, supplement, change, modify, or repeal the regulations, restrictions, and boundaries herein established. In addition, a comprehensive review of the Zoning Ordinance text and maps shall be made by the City Zoning Commission at least every five (5) years, and a report and recommendation thereon shall be filed with the Mayor and City Council. The five-year time period shall commence upon the date of adoption of this Ordinance.

14-902

Public Hearing Before the City Zoning Commission

Before taking any action on any proposed amendment, supplement, change or modification, the City Council shall submit the same to the City Zoning Commission which shall make a preliminary report and hold a public hearing thereon before submitting its final report to the City Council.

14-903

Notice of Public Hearing Before Zoning Commission

Written notice of all public hearings before the City Zoning Commission on proposed changes in classification shall be sent to owners of real property on which the change in classification is proposed, such notice to be given not less than ten (10) days before the date set for hearing, to all such owners who have rendered their said property for city taxes as the ownership appears on the last approved city tax roll. Such notice may be served by depositing the same, properly addressed and postage paid, in the United States Postal Service. Where property lying within two hundred feet (200') of the property proposed to be changed is located in territory which was annexed to the City after the final date for making the renditions which are included on the last tax roll, at least fifteen (15) days notice of the time and place of such hearing shall be published once in a newspaper of general circulation in the City of the Village of Jamaica Beach.

14-904
